Style Backed by Performance

Milliken Floor Covering offers products and expertise in all areas of your commercial spaces, including high-performance entryway systems, modular and broadloom carpet, luxury vinyl tile and milliCare®. Simplify your flooring projects by working with a trusted partner that lets you focus on enjoying the process of creating a great space.

Milliken™

Complete Performance and Support

ENTRYWAY SYSTEMS

The OBEX™ brand of products offers highly effective, comprehensive modular entry solutions designed as a three-zone barrier system to prevent dirt and moisture from entering the building. Available in coordinated colors and patterns, OBEX™ entry products are engineered to increase the functionality of a building's entrance without forsaking elements of design or aesthetic.

MODULAR AND BROADLOOM CARPET

Milliken's broadloom and carpet tile incorporate the latest innovations in tufting and dyeing technology, achieving unique looks and excellent performance. All carpet tile products have cushion backing for an extended lifespan, as well as ergonomic and environmental benefits.

LUXURY VINYL TILE

From natural looks of wood and stone to more modern textures and abstracts, Milliken's collection of Luxury Vinyl Tile flooring creates new options for a commercial or hospitality interior. Our simple-to-search Color Reference system provides easy coordination of the LVT options to modular and broadloom carpets.

MILLCARE®

milliCare® takes caring for your flooring and textiles off your to-do list, which means you can skip right to the part where you get to lean back, put your hands behind your head, and be a hero for keeping a beautifully cleaned space.

WARRANTY

Our products are backed by lifetime commercial warranties that ensure quality and give peace of mind. Milliken stands behind its products in the areas of Face Fiber Wear, Staining/Soiling Resistance, Color Pattern Permanency, Delamination of Backing, Edge Ravel, Tuft Bind, Floor Compatibility, Antistatic, Flammability, Cushion Resiliency, Dimensional Stability, Floor Release, TractionBack and Moisture Resistance.
» millikenfloors.com/warranty

SUSTAINABILITY

Core to our culture, we embrace sustainability with practices such as third party voluntary product labeling and certifications, zero waste to landfill since 1992, use of renewable energy, product lifecycle assessments, ISO 9000 quality standards and all of our manufacturing sites are certified to the highest global environmental standard - ISO 14001 certified.
» millikenfloors.com/sustainability

STAINSMART®

StainSmart, a proprietary treatment applied to Milliken carpets designed to repel and protect against stains and enhance soil release.
» millikenfloors.com/stainSMART

MOISTURE MANAGEMENT

Milliken modular carpet is a moisture mitigation solution all by itself. Unlike with hardback products, water vapor has a way to escape from beneath Milliken's cushion backing. It travels freely through our open-cell cushion, evaporating naturally through seams at the edges of each carpet tile. All modular carpet tiles come with a lifetime warranty against adhesive breakdown due to moisture vapor emissions.
» millikenfloors.com/moisture

CUSHION BACKING

Provides superior underfoot comfort while improving the carpet's durability and offering ergonomic, acoustic and environmental benefits.
» millikenfloors.com/cushion

SIT TO STAND

Avoid the hassle and expense of using anti-fatigue mats under sit-to-stand workstations. Milliken cushion backed carpet tiles have ergonomics built directly into the carpet tiles themselves.
» millikenfloors.com/sit2stand

TRACTIONBACK®

Our bio-based, high-friction coating keeps carpet tiles securely in-place without additional adhesives, eliminating the need to prime or seal the floor thereby reducing installation time and costs.

REMIX REMASTERED

Backbeat / Freestyle / Mix Tape / Bass Line

PLAYS WELL WITH OTHERS

To further infuse your new **REMIX REMASTERED** selection, consider a complementing carpet from FORMWORK, our collection of solids consisting of hues that directly inspired **REMIX REMASTERED's** vibe assortment.

SUSTAINABLE PROPERTIES OF THIS PRODUCT

REMIX REMASTERED is manufactured with Comfort Plus® ES (Environmentally Sustainable) cushion backing, and is certified NSF-140 Gold with 35.9% pre-consumer recycled content by total product weight. With our optional Comfort Plus® ESP backing, REMIX REMASTERED carries an NSF-140 Platinum certification.

All Milliken modular carpet's carry Environmental Product Declarations and Health Product Declarations, which contribute to LEED certification. Additionally, Milliken modular carpets carry Declare® transparency labels and comply with the Red List Imperative of the Living Building Challenge.™

Recommended Installation Method

MONOLITHIC

TractionBack®

Simplify your modular installation with Milliken's patented TractionBack®, an innovative backing system that is faster, more cost efficient, and environmentally superior to wet adhesives and peel-and-stick carpet tile.

Growing greener for over 100 years.

This product has a UL® Environment 3rd party verified Environmental Product Declaration (EPD).

A copy of the EPD is available online at millikenfloor.com/epd and productguide.ulenvironment.com.

This cushion-back carpet tile product is covered by one or more patents, published applications and/or patents pending. Specifications are subject to normal manufacturing tolerances and may be changed without prior notice. Images in this brochure are approximate for color and pattern scale. Please use actual carpet samples to make your final selections.
